The World Expo (International Expo) is the world's largest event and festival, held every five years for six months, where countries from all over the world gather. It is a place to encounter the latest culture, technology, and future prospects of participating countries according to a theme, and also to encounter countries from around the world. We will introduce the outline of the Osaka-Kansai Expo to be held in 2025, as well as the 1970 World Expo, which was the largest event for Japan, and future expos.

Exhibition
Snapshots of last year's exhibition
※This year is a new exhibition.

Expo goods exchange event

11/30(SAT) 、 12/7(SAT) 12:00~16:45

At past Expos, pin badge exchanges have been a frequent event at the Expo site. As a pre-event for the upcoming Expo, we will be holding an exchange event for Expo goods, mainly pin badges. We invite people to bring Expo goods that they have been storing at home or that they have in multiples of, and this is a place for people to exchange what they have brought.

Items for exchange: Expo goods, mainly pin badges

(including domestic expositions, key holders, decorations, postcards, pamphlets, guidebooks, etc.)

Conditions: Exchange is a given (cash transactions are not allowed) Exchanges are concluded with mutual agreement (mainly negotiations between the people involved)

*Please help us keep track of the number of items being exchanged.

■ Venue: Multipurpose Space 2, 3rd floor, Osaka Prefectural Nakanoshima Library

■ How to apply We accept inquiries by phone or mail.

MAIL : eventyoyaku@nakanoshima-library.jp

Please let us know the "Expo Goods Exchange Participant names, phone numbers, details of exhibits, and number of items."
